Email 2

Private/Institutional

☐ I would like to receive regular emails about GRADE events relevant to my career stage.

Contact Language

Phone number (optional)

Phone numbers are used only for workshop organization, e.g. to fill last-minute vacancies from waiting lists.

GRADE Center

Are you interested in joining a GRADE Center? If yes, select a GRADE Center.

GRADE Centers provide research-oriented support. If you select a center, your data may be shared with the center administration.
If you would like to join additional Centers, email us at quality@grade.uni-frankfurt.de

Researcher Category

I want to register as a...

○ PhD candidate (R1) - complete page 2

○ Postdoctoral researcher (R2) or Experienced Researcher (R3) - complete page 3

NEXT: **Complete the relevant category page**. Submit only pages 1 + 2 or pages 1 + 3.

GRADE | REGISTRATION

PhD candidates (R1)

Doctoral Research

☐ My dissertation is part of a structured doctoral program.

If yes: name of program (e.g. GRK, SFB, Cluster of Excellence, IMPRS)

Faculty

External faculty and institution (if applicable)

Thesis advisor

Subject area / discipline

◯ Humanities and Social Sciences ◯ Natural and Life Sciences

Start of PhD project (date)

Acceptance by faculty (date)

Documents and submission

Take the following steps to complete your registration:

1. Sign the form (digitally or by hand).
2. Email the form and a scan of your faculty acceptance letter to: **quality@grade.uni-frankfurt.de**

If not yet officially accepted: Goethe University doctoral candidates may submit a degree certificate that qualifies to apply for a doctorate (Master or equivalent). Faculty acceptance must follow within one year.

Declarations and signature

☐ I confirm the accuracy of my information and accept GRADE's General Terms and Conditions.
False information or violations of the Terms and Conditions may result in exclusion from GRADE services.

☐ I have read the GRADE data protection policy and consent to the described use of my data.
I understand that I may withdraw this consent at any time.

Do you supervise doctoral candidates?

Doctorate awarded (date)

Career phase | R2 or R3

Select the option that fits best

○ R2 researcher

R2 - typically:
- Doctorate completed up to approx. 4 years ago
- Early phase of habilitation
- Research project not yet managed independently
- Research, usually also teaching
- No major third-party funding yet (except e.g. Walter Benjamin Program)

○ R3 researcher

R3 - typically:
- Doctorate completed more than 3-4 years ago
- Advanced or completed habilitation
- Independently managed research project
- Professorship qualification / permanent position
- Research and usually teaching; personnel and budget responsibility
- Own third-party funding (e.g. DFG / ERC)
- Junior / qualifying or W1 professorship

Documents and submission

Take the following steps to complete your registration:

1. Sign the form (digitally or by hand).
2. Email the form to: **quality@grade.uni-frankfurt.de**

Provide a work email issued by Goethe University or an associated research institution. Otherwise, include confirmation of affiliation (e.g. employer letter or employment contract).
